## Ten Reasons Why You Will Love Knitting

1. It's lots of fun
2. You can share lots of quality time with family and friends
3. You can share very special quality time with your kids
4. When you are done you can wear what you knit
5. When you are done your pets can wear what you knit (especially in Winter time)
6. It's relaxing
7. You can make your own holiday presents
8. It's good therapy and you only have to pay for yarn (I fired my psychotherapist a long time ago)
9. It gives you personal satisfaction
10. You can share your projects with family and friends
11. Because I love teaching others to knit

Ok, Ok, I know that's more than 10 but I could write a whole book about why I love knitting.

Have you ever tried it? . . .

I am sure that if you did you would also find more than 10 reasons why knitting is such a wonderful pastime.

If you have never tried knitting or if you are an advanced knitter looking to take that next step to try more sophisticated designs, visit my Website or send me an e-mail.

I'll be happy to share some ancient knitting secrets with you.
